UN ESPACIO LÍQUIDO
PARA UN MUNDO CAMBIANTE

AULA INTEGRAL

ES

El mundo está cambiando a la velocidad de la luz y nuestro jóvenes deberán adaptarse a un contexto extremadamente dinámico y exigente repleto de nuevas tecnologías. Grau, consciente de ello, ha diseñado la solución 'aula integral' que responde de manera óptima a las exigencias de los programas 'Future Classroom Lab' de la Unión Europea y su homónimo español 'Aula del Futuro'. La calidad y valores de Grau serán una garantía para desplegar ambos programas de la manera más inteligente para cualquier centro educativo.

Aula integral

CAT

El món està canviant a la velocitat de la llum i els nostres joves s'hauran d'adaptar a un context extremadament dinàmic i exigent ple de noves tecnologies. Grau, conscient d'això, ha dissenyat la solució 'aula integral' que respon de manera òptima a les exigències dels programes 'Future Classroom Lab' de la Unió Europea i el seu homònim espanyol 'Aula del Futur'.

La qualitat i valors de Grau seran una garantia per desplegar tots dos programes de la manera més intel·ligent per a qualsevol centre educatiu.

*A liquid space
for a changing world*

**Comprehensive
classroom**

EN

The world is changing at the speed of light and our youth must adapt to an extremely dynamic and demanding context brimming with new technologies. Grau knows this and has designed the 'comprehensive classroom' solution to best meet the requirements of the European Union 'Future Classroom Lab' and the Spanish equivalent 'Aula del Futuro' programmes.

Grau's quality and values act as a guarantee to roll out both programmes in the most intelligent way for all schools.

*Un espace liquide
pour un monde en mutation*

Salle de classe intégrale

FR

Le monde change à la vitesse de la lumière et nos jeunes devront s'adapter à un contexte extrêmement dynamique et exigeant, riche en nouvelles technologies. Conscients de cette situation, chez Grau nous avons conçu la solution 'salle de classe intégrale' qui répond de manière optimale aux exigences du programme 'Future Classroom Lab' de l'Union européenne et de son équivalent espagnol 'Aula del Futuro' (La salle de classe du futur).

La qualité et les valeurs de Grau seront une garantie pour déployer ces deux programmes de la manière la plus intelligente pour n'importe quel établissement éducatif.
